Send us around the world with the news of your saving power and your eternal plan for all mankind. Psalm 67 LB

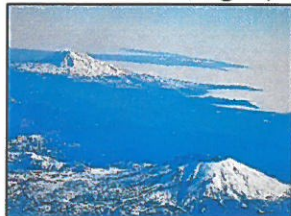

Winter 2022

WINTER: although the weather can be cold and bleak, the Holy Spirit is actively warming hearts!

A ministry highlight this winter was serving on the “mobilization team” at the Minnesota Winter Conference! We told college students about career opportunities with the High School Ministry of Cru. Thank God for protecting us from illness being with so many students AND in such cold Minnesota weather (for Floridians)!

You often read in our letters about the HUGE numbers of people who indicate decisions for Christ through evangelistic efforts in Cru and our partnerships – like the **GO MOVEMENT!** For instance, Nadar, a youth leader in Egypt, held an online global training event for teenagers, attended by 2.6 million kids! One Cru emphasis, **everystudent.com**, had over 50 million visitors in 2021 with over 800,000 indicated decisions to trust in Christ for salvation! The **JESUS Film** worldwide was watched by over 485 million.

These encouraging numbers show that the Lord is working in amazing ways to reach every person in the world with the gospel. But *let's never forget* that these numbers represent **INDIVIDUALS** being changed!

We're motivated to continue networking with like-minded youth ministries to reach **EVERY teenager globally** for Christ. We've personally had gospel conversations with several people in the past few weeks – often on airplanes (again) - like the businessman sitting in front of us on a flight. He gave us a “geography lesson” about mountain peaks in Oregon. Joy engaged him in a conversation about the Creator!

We hear stories every week from Cru High School staff members who are sharing Christ on campuses. They report that students are more open than ever to have spiritual conversations. Our director in LA reports that 90% of the students he shares with respond to receive Christ. Kevin, our team leader, an ER patient, shared the hope of salvation with a fear-filled patient, who put her faith in Christ as they spoke from their gurneys!

PRAYER REQUESTS

- **Praise God** for our new “Apprentice Program” which puts more “boots on the ground” in ministry.
- **Thank God** for a renewed opportunity to serve on the design team for **Getaway23**. (More later.)
- **Pray** for us in our upcoming participation in conferences in Europe, Denver & Baltimore.
- **Ask God** to give us wisdom & grace as we serve other staff members in Cru's High School Ministry.

Thank you for choosing to partner with us in ministry by your prayer and financial support as we help reach teenagers for Jesus Christ – in the USA and globally! ***We appreciate you!***

In Christ's love,
